Reference Letter

We, «ASP Group of Companies» LLP, would like to express our sincere appreciation for our long-term and successful cooperation with Stron Engineering.

Our companies have been working together since 2009 on numerous civil and industrial design projects. Throughout all these years, Stron Engineering has consistently demonstrated a high level of professionalism, technical competence, and responsibility in project execution.

During our collaboration, we have completed many joint projects of varying complexity. In every case, Stron Engineering proved to be a reliable partner, delivering quality engineering solutions, meeting deadlines, and maintaining excellent communication at all stages of work.

Their team's expertise in civil and industrial design, attention to detail, and commitment to high standards have contributed significantly to the success of our shared projects. Our experience of cooperation has always been positive and productive.

We confidently recommend Stron Engineering as a trustworthy and highly qualified partner in the field of engineering and design.

We look forward to continuing our successful cooperation in the future.

Sincerely,

Director of «ASP Group of Companies» LLP

Zarubin Alexandr
